"ALL" LICENSING REQUIREMENTS:

2960.0080 FACILITY OPERATIONAL SERVICES, POLICIES, AND PRACTICES.

Subp. 9. **Educational services.** The license holder must ensure that educational services are provided to residents according to items A to D, except where not applicable, due to the age of the resident or the resident's short stay in the facility.

A. The license holder must facilitate the resident's admission to an accredited public school or, if the resident is home-schooled or educated at a private school or school operated by the license holder, the school must meet applicable laws and rules. If the educational services are provided on the grounds of the facility, the license holder must:

- (1) arrange for educational programs that provide for instruction on a year-round basis, if required by law;
- (2) get the approval of the education services from the Department of Education; and
- (3) cooperate with the school district.

B. The license holder must facilitate the resident's school attendance and homework activities.

C. The license holder must inquire at least every 90 days to determine whether the resident is receiving the education required by law and the resident's individual education plan that is necessary for the resident to make progress in the appropriate grade level. The license holder must report the resident's educational problems to the case manager or placing agency.

D. The license holder must provide education about chemical health to the resident who has had a problem related to inappropriate chemical use, but who does not have a sufficient chemical use history to refer to treatment. The education must provide the resident with opportunities to examine the problems associated with inappropriate chemical use.

GROUP RESIDENTIAL LICENSING REQUIREMENTS:

2960.0180 FACILITY OPERATIONAL SERVICE POLICIES AND PRACTICES

Subp. 2. **Facility programs.** The license holder must prepare written program descriptions and policies and procedures that implement the program described. Measurable program outcomes must also be identified.

A. The minimum program components must include the requirements in subitems (1) to (3).

(1) For group residential facilities offering educational services on site, there must be a 12-month comprehensive and continuous education program for residents that meets the requirements of Laws 1995, chapter 226, article 3, section 60, subdivision 2, clause (2)(ix), and rules of the Department of Education.

B. Each resident must have a treatment plan.

(6) The license holder must forward written educational progress reports to the resident's school district of residence, if it is likely that the resident will return to the resident's district of residence, unless prohibited by law.

DETENTION LICENSING REQUIREMENTS:

2960.0270 FACILITY OPERATIONAL POLICIES AND PROCEDURE REQUIREMENTS, SERVICES, AND PROGRAMS.

Subp. 7. **Education program.** The license holder must provide education programs and services to a resident that are consistent with Department of Education rules and statutory requirements governing education of a resident. If the license holder suspects that a resident has a disability, and educational evaluation must be conducted according to applicable rules to determine if the resident has a disability. The license holder must ensure that the appropriate evaluation is completed and must assist a student who has disabilities and needs special education and related services to obtain those services.
